

“FLYING BY THE SEAT OF OUR PANTS” NORTH COAST BRUT

Our signature “Flying by the Seat of Our Pants” Brut is a mostly blend of Chardonnay and Pinot Noir that highlights the ripe fruit flavors characteristic of California’s North Coast, and particularly the Carneros region. The cooling marine influence results in grapes with deep complexity, acidity, and longer ripening time.

Ripe, full and concentrated, our Brut boasts an intriguing and complex nose of citrus blossom and light berry. Deep and rich, yet thoroughly refreshing on the palate, its creamily textured, multilayered flavors of guava and mango segue into a crisp and refreshing finish. A lovely sparkling wine ready to drink now.

Alcohol: 12.4%

pH: 3.18
